

YOUR COFFEE EXPERIENCE

ATOM DIGITAL

Macinacaffè On Demand
On Demand Grinder

- **Very intuitive** and simple **display touch** for setting the grinding time of both available doses
- **“Silent Technology”** reducing the grinding noise compared to the conventional grinders:
 - Atom Digital 65 - 58,8 dB
 - Atom Digital 75 - 60,6 dB
- **All-purpose fork for “Hands Free” operations**, suited to any kind of filter holder (also naked) due to the special geometry and the adjustable support;
- **Die-cast aluminum body**, specifically designed to facilitate the internal air circulation;
- **Compact size**, specifically conceived to optimize barista space;
- **ACE System** (Anti Clumps Electrostaticity System) conceived to prevent the presence of clumps and eliminate the electrostatic charge of ground coffee;
- **Stepless micrometric regulation system** (patented);
